Verse 1

When there is no hope in sight,
people with passion find a way.
That's how a ray of hope broke through
at the glorious battle of Sardarapat.

Refrain

Bells, ring out, call the pure and brave to battle
for this just cause.
Generations to come will know who they are
by the legacy of Sardarapat.

Verse 2

But we did not fall, we are here forever,
we were not snuffed out; we'll be back.
Whenever the bell tolls, the alarm sounds,
we are ready to do our honorable duty.
